

Would you like to help construct the future of the North-East?

Look no further than the Women into Construction Employment programme! Join us for an information session on **Thursday 19th January at 11am in central Newcastle**, run in collaboration with **key construction and engineering employers**;

Roles available include: **Document Controller, Project Administration, CAD technician, Site Engineer and Trade based trainee positions.**

Register today by scanning the QR code or clicking the button:

REGISTER

The **six-week programme**, commencing **30th January 2023**, will give you an **insight** into construction, **experience** and **connections** to help you **gain a job** in this exciting industry:

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Employer led CV & interview skills support and site visits.		A choice of pathways in Document Control or entry to Trade based roles.	Half term (no training)	High quality work placement with one of 6 employers at key construction sites across the region.	
Construction related training including Level 1 Health and Safety, CSCS Card					
Gateshead College, Newcastle				Employer host locations	

The programme is open to **all women aged 16+**, **resident in the North of Tyne** region and you must be able to commit to a **full-time programme**. Full **1-2-1 support** will be provided by WiC, including **childcare & transport costs**.
